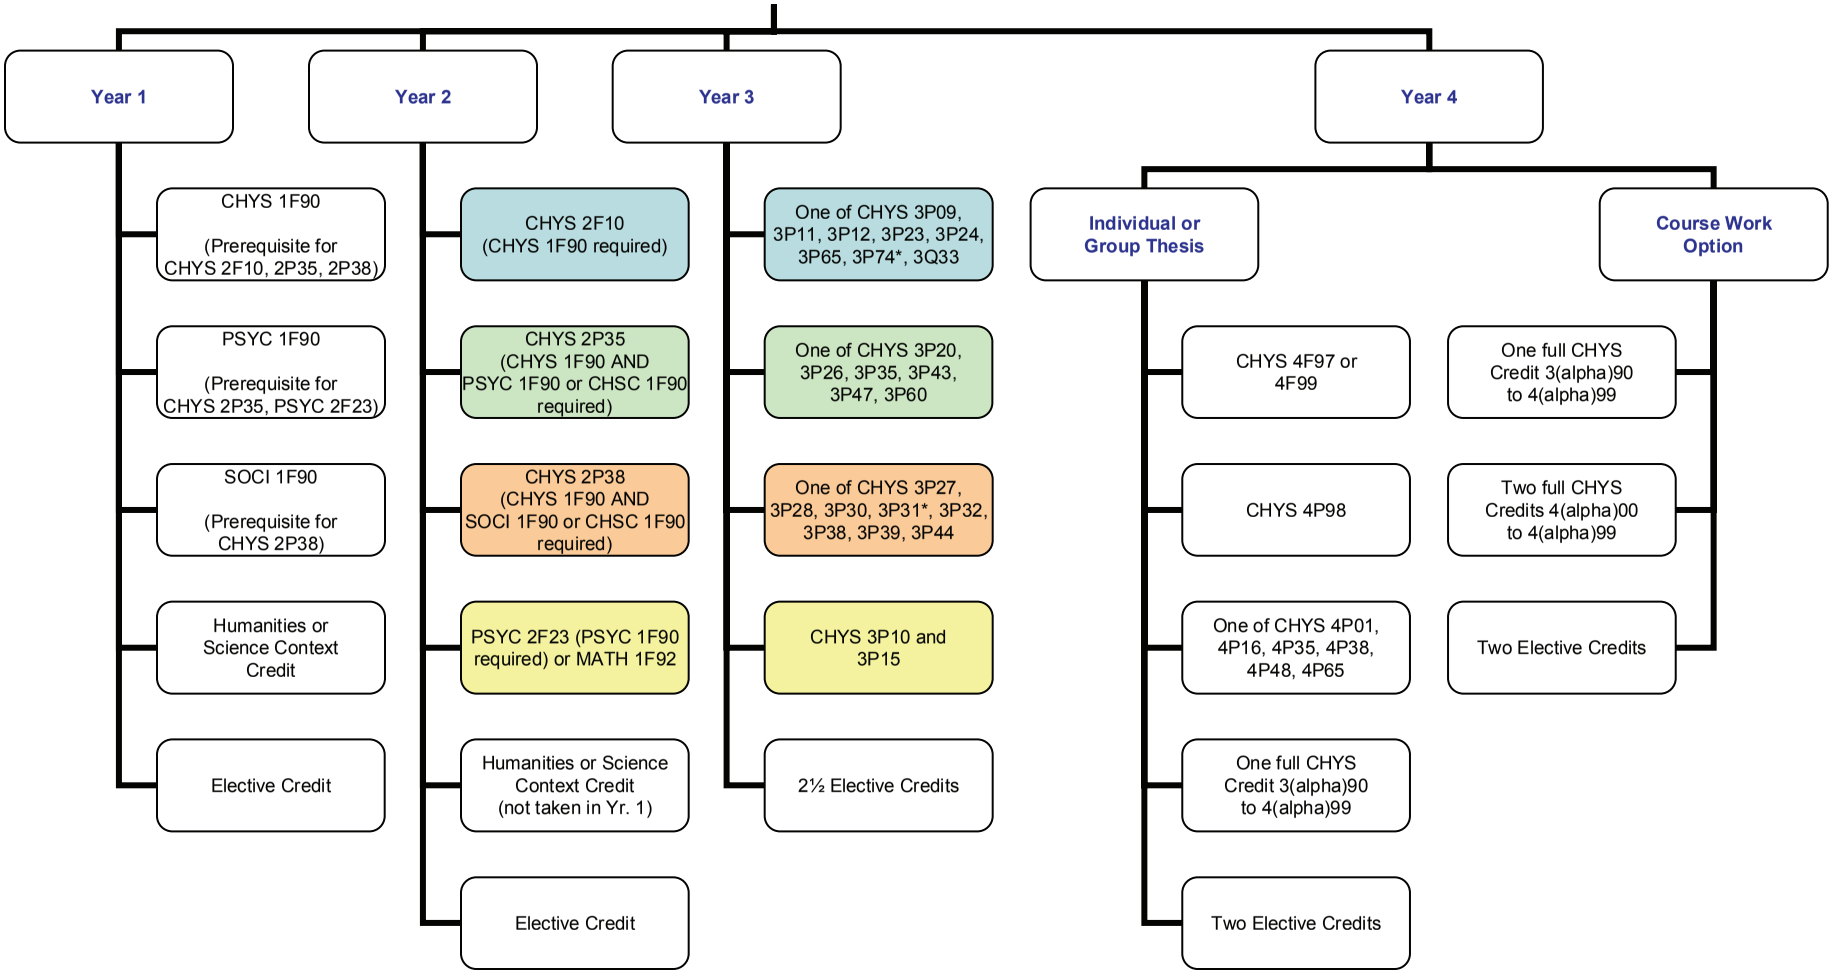
Child and Youth Studies BA (Pass or Honours)



Notes:

Colours indicate the courses in 2nd year which are the CHYS prerequisite for the 3rd year courses. Exceptions are CHYS 3P31 and 3P74 (noted with an "*"). Ensure you check the Course Calendar for these prerequisites.

Please be aware that this is a general outline of the CHYS BA program. Please also be aware that, in your selection of elective credits, you must ensure that you meet the Brock University's requirements for a Pass or Honours Degree.

Students are encouraged to make an ACADEMIC ADVISING APPOINTMENT with Alison Lahn for a detailed program plan, to ensure you meet the requirements for your degree (go to www.brocku.ca/childandyouthstudies to schedule your appointment).
